

TFA6 USB-C Fast Charger

www.timotion.com

Energize your workspace.

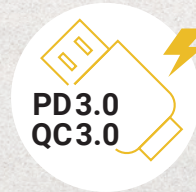

Charge a Laptop
from 0% to 90%*

* Based on 4600mAh battery

Total Output

Fast Charger

Simplify Your Desktop

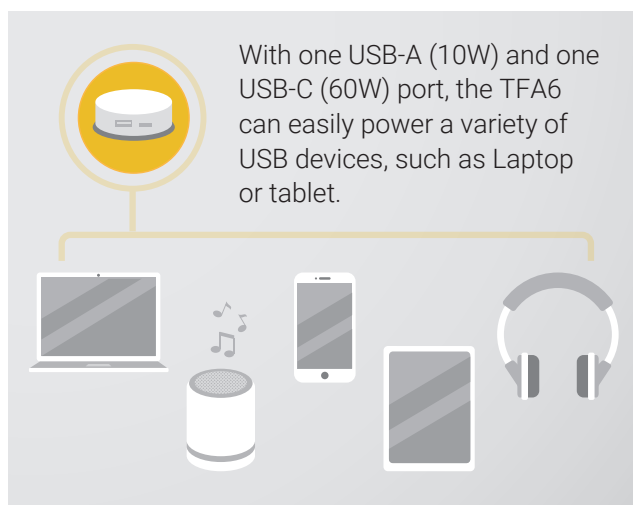

Smart Pop-up design. Press to retract the charger flush with the desktop when not in use, providing a clean working surface.

Flexible installation with different mounting options. The TFA6 can also be screwed under the table.

The TFA6 is directly powered by the height adjustable desk control box, requiring no additional power outlet and cables.

With one USB-A (10W) and one USB-C (60W) port, the TFA6 can easily power a variety of USB devices, such as Laptop or tablet.
